To create a new PLN Account you must provide a valid email, choose a password, and then provide a full name, birth date, and home postal code. You must also agree to receive Commercial Electronic Messages ("CEM's") from the Parent Life Network but you may unsubscribe at any time by visiting <https://55rush.com/privacy> or from within any CEM without affecting your entry or odds of winning in the contest.

Complete the Contest Entry Form for each prize you want to enter. You may be required to agree to allow PLN to share your registration details with the prize provider for the purpose of email marketing (and may unsubscribe at any time without affecting your entry or odds of winning the Contest), or perform another action including but not limited to downloading an app, and click enter to agree to the contest rules. You will receive between one and ten entries for each prize you enter.

Method 2: Mail-In Entry. Write your full name, email address, phone number, complete mailing address including postal code, and signature on a plain white piece of paper no larger than 8.5 by 11 inches. Mail it in an envelope with sufficient postage to Contest Administrator, Parent Life Network, 300-174 Spadina Ave. Toronto, ON, M5T 2C2. Write "Canada's Luckiest Baby 2026" followed by the specific prize name in the attention line. You must send a separate envelope for each prize you want to enter. You will receive ten entries for each prize.

Entry Restrictions: You can only register once for this contest, regardless of which method you use. Each person is permitted only one account and one set of entries. Using multiple names, email addresses, identities, or accounts to enter multiple times is strictly prohibited and will result in immediate disqualification of all entries associated with that person. Any attempt to circumvent this rule through the use of multiple devices, proxy servers, or other technical means will also result in disqualification.

Extra Entries

You can earn up to 2,300 extra entries by completing specific actions during the contest period. These actions may include following social media accounts, sharing contest information, visiting websites, watching videos, completing surveys, or other activities posted on the contest website. Each completed action will award a specific number of extra entries.

If you prefer not to complete online actions, you can earn all available extra entries by mailing a request using the same format as the mail-in entry, but writing "Extra Entries" in the attention line instead of a specific prize name.

How Winners Are Selected

On January 7, 2027 at 2:00 PM Eastern Time in Toronto, we will randomly draw one entry from all eligible entries received during the contest period for any Canada's Luckiest Baby 2026 Prize. The person who owns the selected entry, and who is otherwise eligible to win, will be the selected winner for every Canada's Luckiest Baby 2026 prize they have entered or opted into, subject to compliance with the rules of each prize or contest.

If the first valid entry selected in the coordinated draw has not entered every or opted in to win every **Canada's Luckiest Baby 2026 prize**, a separate draw will take place for each remaining prize. During each separate draw for the remaining prizes, one entry will be randomly selected from all eligible entries received during the contest period by contestants who have entered the individual contest for which the draw is being conducted. This secondary draw will have no coordination with other Canada's Luckiest Baby contest draws.

Your odds of winning depend on the number of entries you earn compared to the total number of eligible entries received by the sponsor.

Winner Verification Process

The Sponsor will attempt to arrange an in-person meeting with the selected winner within thirty days of the draw date. If this is not possible, the sponsor will make at least two attempts to contact the contestant by email between days 31 and 35 after the draw. If the contestant cannot be contacted within 40 days of the draw, they may be disqualified and an alternate winner selected.

To be declared the confirmed winner, the selected contestant must correctly answer a math skill-testing question in person and sign a legal release form within 5 business days of notification. The release confirms you followed the rules, accepts the prize as awarded, and lets us use your name and image for publicity.

If the winner can't answer the question correctly, doesn't return the forms on time, or can't accept the prize, they are disqualified and we'll pick a new winner.

Prize Delivery

Physical prizes will be mailed or delivered to the confirmed winner's registered address. Digital prizes will be emailed to the confirmed winner's registered email address. Allow six to eight weeks for delivery. Winners of the **Embark RESP Prize** will be contacted to arrange an appointment with an Embark Student Corp. sales representative to complete account opening paperwork.
